

Table B-2. Reference Summary Table for Hazardous and Mixed Wastewater Retention Tanks

Task	Driver
1. Proposed or Planning Stage	
<input type="checkbox"/> NEPA Documents	DOE requirements and federal regulations
<input type="checkbox"/> Waste Minimization	DOE requirements and federal regulations
2. Design (See Appendix D for more details.)	
<input type="checkbox"/> Material Compatibility	State and federal regulations
<input type="checkbox"/> Secondary Containment	State and federal regulations
<input type="checkbox"/> Overfill and Spill Controls	State and federal regulations
<input type="checkbox"/> Continuous Leak Monitoring	State and federal regulations
<input type="checkbox"/> Seismic Analysis	BMP
3. Construction (See Appendix D for more details.)	
<input type="checkbox"/> Installation Certification	State and federal regulations
<input type="checkbox"/> Corrosion Protection Certification	State and federal regulations
<input type="checkbox"/> Leak Testing	State and federal regulations
<input type="checkbox"/> Engineering Assessment	State and federal regulations
<input type="checkbox"/> Labeling	State and federal regulations
4. Operation and Maintenance (See Appendix F for Inspection Frequencies and Appendix G for Sample Maintenance Log.)	
<input type="checkbox"/> Operations Plan	DOE requirements
<input type="checkbox"/> Monitoring Plan	State and federal regulations
<input type="checkbox"/> Operator Training	State and federal regulations
<input type="checkbox"/> Daily Inspections or Other Monitoring	State and federal regulations
<input type="checkbox"/> Recordkeeping (including Maintenance Logs)	State and federal regulations
<input type="checkbox"/> Removal of Rainwater from Secondary Containment	State and federal regulations
5. Closure (See Appendix I for more details.)	
<input type="checkbox"/> Closure Plan	State and federal regulations
<input type="checkbox"/> Regulatory Inspections During Closure	State and county regulations
<input type="checkbox"/> Closure Report	State and county regulations
6. Reporting Requirements (Document(s) sent to regulators.)	
<input type="checkbox"/> Use Change	State and federal regulations
<input type="checkbox"/> Release/Leak into Environment	State and federal regulations
<input type="checkbox"/> Proposed Installation	State and federal regulations
<input type="checkbox"/> Monitoring Plans	State and federal regulations
<input type="checkbox"/> Proposed Closure	State and federal regulations
<input type="checkbox"/> Completion of Closure	State and federal regulations

Notes: BMP = Best management practices
DOE = U.S. Department of Energy
NEPA = National Environmental Policy Act
